

DIETARY & WHOLE FOOD VITAMINS, MINERALS, ANTIOXIDANTS AND MICRONUTRIENTS IN THIS FORMULA:

Immune System Support Formula with Immune ActivateX Bioavailability Technology

- Certified, organic medicinal mushroom blend (*Lentina edodes*, *Grifola frondosa*, *Coriolus versicolor*, *Agaricus blazei*, *Cordyceps*, *Ganoderma lucidum*, *Ganoderma applanatum*, and *Ganoderma tsugae*)
- Polysaccharide rich isomer blend (from several species of highly-studied medicinal mushrooms)
- Clinical levels of (1>3) & (1>6) Beta-D-Glucans from medicinal mushroom blend
- Alpha-Lipoic Acid select racemic/RS form
- Organic Phytosterols including lanosterol, inotodiol, and ergosterol (whole food source)
- D-Alpha Tocopheryl & Succinate Vitamin E—all natural and select isomers blend
- Selenium—whole food all natural isomer
- Omega-3 Fatty Acids (non-gaseous, digestive friendly form)
- Beef derived Immuno-protein—bovine colostrum
- Vitamin C—whole food natural isomer (micro-support dose—canines produce vitamin C)

Healthy Gene Expression and Nrf2 Transfer Factor Formula

- Natural Vitamin E and Vitamin E Succinate blend
- Rosemary herb extract
- Polysaccharide rich, wild and micronized Chaga fungi, and medicinal mushroom blend
- Vitamin D (whole food sourced)
- Phytosterols including lanosterol, inotodiol ergosterol, and fecosterol (whole food sourced)

Healthy Digestive Support Formula

- All natural Prebiotic and 3-strain Probiotic blend

Whole Food, All Natural, Human Grade, Micronutrient—Healthy Cell and Bone Support Formula (in addition to other formulas ingredients)

- Calcium
- Magnesium
- Selenium
- Vitamin D
- Phosphorus
- Potassium
- Zinc
- Vitamin A
- Vitamin K
- Thiamin
- Riboflavin
- Niacin
- Vitamin B6
- Folate
- Vitamin B12
- Pantothenic Acid
- Choline
- Betaine
- All 9 Essential Amino Acids (all natural, whole food sourced)
- Bovine Colostrum
- Omega-3 Fatty Acids (non-gaseous, digestive friendly form)

Contains **#1** Clinically Studied Antioxidant & Probiotic†

A science-based formula developed for Vets...for your pets.

Clinical Formula for Immune System Support

100% HUMAN GRADE INGREDIENTS

NO Glucose Elevating Starches or Sugar

30 Day Supply

Canine Dietary Supplement

NET WT. 4.23 OZ (120 G)

Supplement Facts

Serving Size 1 level scoop (1/2 two times per day)
Servings Per Container 30

	Amount Per Serving
Protein Blend Chicken, whole egg, beef liver, with whole food micronutrients.	2.78 g
Chaga Mushroom	400 mg
Immune System Mushroom Blend Certified organic mycelium and fruiting bodies of <i>Lentina edodes</i> , <i>Grifola frondosa</i> , <i>Coriolus versicolor</i> , <i>Agaricus blazei</i> , <i>Cordyceps</i> , <i>Ganoderma lucidum</i> , <i>Ganoderma applanatum</i> , and <i>Ganoderma tsugae</i> .	600 mg
Bovine Colostrum	160 mg
Prebiotic/Probiotic Blend Chicory Inulin, <i>L. acidophilus</i> , <i>L. reuterii</i> , and <i>B. longum</i> .	30 mg
Alpha-Lipoic Acid	30 mg
Vitamin E (as d-alpha tocopheryl succinate and d-alpha tocopheryl acetate)	30 IU

Other ingredients: Precipitated silica.

SUGGESTED USE:

1 serving = 1/2 scoop taken twice per day - AM & PM.

- For dogs 10 lbs and over:
Take 1/2 scoop in AM
Take 1/2 scoop PM
- For dogs under 10 lbs:
Take 1/4 scoop in AM
Take 1/4 scoop PM

FOR USE IN DOGS ONLY.

Keep out of reach of children and other animals. In case of accidental overdose, contact a health professional.

Store at room temperature between 59 and 77°F (15-25°C).
